

Genesis 1:1-5 In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

Genesis 1:6-8 And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God called the firmament Heaven. And the evening and the morning were the second day. www.coloringpages101.com

Genesis 1:9-13 And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so. And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good. And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so. And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good. And the evening and the morning were the third day.

Today I learned...

1. God made the sun, moon and stars on the fourth day.
2. God made the sun to shine in the day and keep us warm.
3. God made the moon and stars to twinkle at night.

On the fourth day, God put the sun in the sky to shine in the daytime and the moon and stars to glow at night.

Creation: Day 4

God made two great lights—the greater light to govern the day and the lesser light to govern the night. He also made the stars.
Genesis 1:16
